

cleaning & hygiene

Have you heard the news?

Bunzl Canada is now a **national preferred distributor** of the innovative and ergonomic TASKI line of floor cleaning machines, which includes exclusive distribution of the:

Aero 8 & 15

The most efficient and ultra silent vacuum cleaners

Swingo 955

Efficient and agile auto-scrubber drier

Swingo 1655 & 1855

New to the Canadian market, heavy-duty walk behind auto-scrubbers

In addition, Bunzl's own dedicated national service & repair team are **available 24/7** to service all makes of machines, including the TASKI line, and offers various **preventative maintenance programs** which helps to keep your machines running optimally, reducing the risk of any unplanned downtime.

At Bunzl, innovation isn't a buzz word. It's in our DNA. Staying ahead of the curve means our customers stay ahead of their competition. So that's why we constantly seek to bring you innovative, first-to-market products that help to improve quality, performance and sustainability by working with world-class vendors, like TASKI, who continually raise the bar.
